

THE NORTH GROVE

2019-2020 IMPACT REPORT

"The Centre felt like family to me, I never felt judged and it felt like everyone was welcomed. It's nice to know that I am not the only person needing help or support, others are going through the exact same things."

THE NORTH GROVE

OUR BIG YEAR

It was a year of incredible growth and gratitude. **Six Primrose**, the documentary film about The North Grove's Community Food Centre, toured the country, sharing our story from coast to coast.

We launched our **One Roof** capital campaign to bring our two sites together and make it easier for community members to access all our services in one place.

Thanks to our generous partners and supporters, we built and completed our new **Family Centre** on time and on budget!

WE STAND TOGETHER

We've always shared roots, and now we share a name. As our Family Centre and Community Food Centre came together under one roof, we adopted a new, shared name, **THE NORTH GROVE.**

'North' because of our roots in Dartmouth North; it also speaks of strength and truth. 'Grove' suggests a warm and sheltering place and that's what we are to so many.
